office hours. Specific rates should be given for each item of work.

No tender will be accepted unless it is received in this office on or before 22nd July 1952, within specified time accompanied by earnest deposit of Rs. 500 which should be credited to District Board Funds.

The successful tenderer should bind himself to abide by Departmental rules in force and execute the necessary agreement as per rules within a week of acceptance of his tender failing which the earnest deposit will be forfeited to the District Board. The work should be completed within two months from the date of acceptance of tender.

The final acceptance will rest with the President and the President is not bound to accept the lowest or any tender whatsoever and has the right of rejecting any tender.

The President reserves the right of limiting the construction of the building at any time to the amount of public donations available with the District Board for the construction of the above school building. The construction will be under the supervision of the Assistant Engineer, Channarayapatna Sub-Division.
